

# Erratum - Dermatophytes, dermatophytosis in the Caribbean and potential for herbal therapy

Harish C. Gugnani

*Departments of Microbiology and Epidemiology and Biostatistics, Saint James School of Medicine, Anguilla, British West Indies; Professor of Medical Mycology (Retired), VP Chest Institute, University of Delhi, India*

This corrects the article entitled "Dermatophytes, dermatophytosis in the Caribbean and potential for herbal therapy" by the author Harish C. Gugnani published with DOI: doi:10.4081/idhm.2020.96

In the originally submitted manuscript, the second author's name was omitted. The second author (Kirthika Venkatesan) should be eliminated from the acknowledgment section since she is a co-author. Below are the corrections:

Authorship Correction: Harish C. Gugnani<sup>1</sup>, Kirthika Venkatesan<sup>2</sup>

<sup>1</sup>Department of Microbiology and Epidemiology and Biostatistics, Saint James School of Medicine, Anguilla, British West Indies; Professor of Medical Mycology (Retired), VP Chest Institute, University of Delhi, India.

<sup>2</sup>Department of Microbiology and Epidemiology and Biostatistics, Saint James School of Medicine, Anguilla, British West Indies

Contributions: HCG was in charge of supervision of research activity, collection of literature, research planning and execution, methodology, interpretation of data/literature, and final approval of the manuscript to be published. KV assisted in the collection and interpretation of data/literature, assisted the corresponding author in writing and editing the initial and final manuscript, and assisted in the design of the manuscript (ex. creating Table).
